(Tennessee Coal, Iron and Railroad Company had offices in Nashville in 1882, with mines at Cowan, South Pittsburg, and Tracy City. In the early 1900's the main office was moved to Birmingham, AL. By 1903 a mine was reported at Whitwell, TN which operated until 1932. In Alabama, the company had more than twenty locations. See Ensley, AL 949 for a listing. It is believed that the above listed "All Commissaries" and "All Stores" tokens were used at Whitwell, TN. No other denominations have been reported.)
